

notes\_Gui

```
graph LR; A[notes_Gui] --> B[riempiTxtArea]
```

A diagram showing a call from a box labeled 'notes\_Gui' to a box labeled 'riempiTxtArea'. A blue arrow points from the right side of the 'notes\_Gui' box to the left side of the 'riempiTxtArea' box. The 'notes\_Gui' box is white with a black border, and the 'riempiTxtArea' box is gray with a black border.
