

PannelloEmozioni

```
graph LR; A[PannelloEmozioni] --> B[initComponents]
```

A diagram showing a call to the `initComponents` method from the `PannelloEmozioni` class. The `PannelloEmozioni` box is white with a black border, and the `initComponents` box is gray with a black border. A blue arrow points from the right side of the `PannelloEmozioni` box to the left side of the `initComponents` box.
